

Talking World at KAS

L-R: Kapil Joshi and Steve John, DP1 student of Kohinoor American School and Co-founder of 'The News Guys Podcast'

Kapil Joshi & Steve John, DP1 students of Kohinoor American School and Co-founders of 'The News Guys Podcast' began their journey with a spontaneous idea of talking. Both of them are naturally very talkative and when it struck them that they could talk but this time the world would listen, they were overjoyed and just talked ideas. It went on and on until they decided what they were going to talk about. They chose global issues, science & technology and music as their talking point. Although people showed some initial resistance and dislike, they came around for them after they got down to working. Once the first episode of the podcast series was published, *Pilot – Bienvenido*, had an incredible response. To check them out kindly visit their website <https://thenewsguypodcast.com> sit back, relax, and experience their journey they like to call, *The News Guys Podcast - Talking World*.
